Cook responded to roll call. City Manager/Executive Director Wally Bobkiewicz, City/Agency Attorney Karl H. Berger, and City Clerk/Agency Secretary Josie G. Herrera were also present.

**PUBLIC COMMENT**

No Public Comment.

**ORDER OF BUSINESS**

A. Appointment of Real Property Negotiator

It was moved by Councilmember/Director Krause, seconded by Councilmember/Director Aguirre, to appoint City Manager Wally Bobkiewicz as the City's Real Property Negotiator relating to real property located at 970 Ventura Street, Santa Paula, California. The Real Property Negotiator may negotiate price and terms for acquiring property. All were in favor, and the motion carried.

B. Appointment of Real Property Negotiator

It was moved by Councilmember/Director Krause, seconded by Councilmember/Director Aguirre, to appoint City Manager Wally Bobkiewicz as the City's Real Property Negotiator for price and terms of leasing a portion of the City's leasehold along the Santa Paula Branch Line between 10th and 12th Streets. All were in favor, and the motion carried.

C. Interviews for Planning Commission

Eric Barragan stepped up for his interview. He stated that his vision for Santa Paula in the future would be for more low-end and high-end housing, more employment opportunities, and more diverse businesses. He also stated that he could bring to the Planning Commission a different point of view because he was born and raised in the city, knows all of the neighborhoods, served on the Santa Paula Union High School District Board of Trustees, and has local business experience. He also stated that the role of the Planning Commission is to provide input to the City Council rather than being

a policy making body because policy is already directed by the City Council and State law.

Andrew Castaneda was not present for his interview.

Paul L. Skeels stepped up for his interview. He stated that his vision for Santa Paula in the future would be for moderate growth with five to seven percent growth per year, upgrading current housing stock, and keeping the greenbelt between Santa Paula and Ventura and Santa Paula and Fillmore. He also stated that the role of the Planning Commission is to be a processing body to make decisions and to make recommendations to the City Council, and to follow law and local ordinances.

**ORDER OF BUSINESS**

A. Update on "Plan Santa Paula" Workshop – Receive oral report and provide direction to staff.

City Manager Wally Bobkiewicz stated that the August 8, 2006 "Plan Santa Paula" workshop had been noticed as a Special City Council Meeting in order to allow Councilmembers to participate in discussions.

Discussion included outreaching to the Latino community in order to receive input at these workshops and allowing participation at the workshops from Councilmembers as community members.

City Attorney Karl H. Berger responded to a question regarding whether the workshop could continue without a Council quorum by stating that the agenda was structured to inform the public that the Council would not take any action and that the workshop could go forward without a Council quorum.

It was moved by Councilmember Procter, seconded by Councilmember Aguirre, to notice future meetings so that Councilmembers may attend. Councilmember Aguirre, Councilmember Krause, and Councilmember Procter were in favor. Vice Mayor Luna and Mayor Cook were opposed. The motion carried.

Discussion included providing more outreach efforts to the Latino community, encouraging a cross section of public participation, reconciling any revised land use plan with the City's Visioning Plan, and having the property owners, developers, and all stakeholders with interests in the three growth areas become involved in this process. A suggestion was made that Susan Harden, the facilitator of the workshops, ask workshop participants to address the elements of the Visioning Plan as related to recreation, children, and education, and how would a revised land use plan work within the overall vision for Santa Paula.

### **RECESS TO A BREAK**

Mayor/Chair Cook recessed the City Council/Redevelopment Agency to a break at 7:38 p.m.

### **RECONVENE TO REGULAR MEETING**

It was moved by Councilmember/Director Procter, seconded by Councilmember/Director Aguirre, to approve the Affordable Housing Agreement with Cabrillo Economic Development Corporation for the Plaza Amistad Project in a form approved by the City Attorney. Under roll call vote, all were in favor, and the motion carried.

B. Low-Income Senior Wastewater Rates

City Attorney Karl H. Berger's report dated July 31, 2006.

Discussion included whether to commission a study to determine whether to create a rate structure for low-income seniors, whether to subsidize discounts for low-income seniors, whether to use investment revenues to subsidize a program, and whether to go before ratepayers to approve a discount and subsidize the difference.

Finance Director Alvertina Rivera provided information regarding the CARE program offered by The Gas Company. She recommended that the City adopt a similar discount program with a requirement that the customer either qualify for The Gas Company or Edison CARE discount program. She noted that a CARE-type program would not apply to most residents of mobile home parks because most mobile home parks do not pay the City directly for sewer service.

Discussion included offering a discount only to very low-income seniors and to those with limited means, pursuing a separate program for residents of mobile home parks, exploring the use of a CARE-type qualifying program, and exploring a flat fee discount versus a percentage discount.

It was moved by Councilmember Krause, seconded by Councilmember Aguirre to pursue the Public Utilities' CARE option, have City staff explore a scenario that uses the very low-income numbers, have staff explore how staff would administer such a program and explore the procedures and costs associated with such a program, have staff bring back options for a mobile home resident discount program, have staff consider where funds could come from for a subsidy, and have staff bring back information on a comparison of a flat fee discount between \$5 to \$10 versus a percentage discount. All were in favor, and the motion carried.

C. Water Recycling Facility Update

Public Works Director/City Engineer Clifford G. Finley's report dated July 26, 2006, and Power Point® presentation.

James Breznak, representing RBF Consulting, provided an update of the Water Recycling Facility project and spoke regarding funding for the project.

The report was received and filed.

D. Water Recycling Facility Membrane Manufacturer Selection

Public Works Director/City Engineer Clifford G. Finley's report dated July 27, 2006.

It was moved by Councilmember Aguirre, seconded by Vice Mayor Luna, to: 1) authorize the City Manager to execute an agreement, approved as to form by the City Attorney, with Enviroquip/Kubota for \$75,000 to provide shop drawings for the Water Recycling Facility Project design; and 2) allocate up to \$86,000 which includes a 15% contingency to complete the contract, from the capital Improvement Program (CIP) Account Number 610.050.9039.8290. All were in favor, and the motion carried.
