**PUBLIC COMMENT**

Karen Karayan, 3710 Ojai Rd, spoke briefly regarding the water and sewer issues. She asked Council for an update on what is happening with the refinancing of the sewer plant and she also asked about other cost saving ways for residents. In her opinion, the community needs further clarification as to why we are paying different rates depending on the size of meter since we are being charged for water usage. She also asked that there should be consideration for people with larger parcels.
