Pursuant to Government Code § 6254(r), Appendices K (Phase I and Phase II Archaeological Resources Reports) and L (Paleontological Resources Report) of the East Area 1 Specific Plan Environmental Impact Report (EIR) are not disclosable public records since they contain archaeological and paleontological information regarding, among other things, Native American graves, cemeteries, and sacred places and records of Native American places. Consequently, these reports are not available for public review and are not included in Volume II of the EIR. However, the information contained within these reports is summarized in Section 4.12 (Cultural and Historic Resources) of the EIR.
