

ANNUAL CRIME STATISTICS CITY OF SANTA PAULA

The Santa Paula Police Department maintains crime statistics compiled under the Uniform Crime Report (UCR) that are submitted both to the State and F.B.I. for comparison to other cities statewide and nationally.

A review of this information revealed that in 2011 Santa Paula experienced a decrease in its reported Part I crimes (- 4.88%) as compared to 2010 statistics.

This continues a trend that is being seen nationally of crime rates going down. This is the third year where Santa Paula has seen a drop in crime.
